Chapter 3 – Hatching Plans

Chapter 4 – DOMEsday Weapons

Chapter 5 – The DOME of the ROCK

Chapter 6 – The PHoenix from the Ashes

The DOMEsday Project

Introduction

Everyone's heard of '**DOOMSDAY**' and generally understands its serious connotations.

But what if there was something more to this scenario of devastation and destruction?

A standard dictionary search gives us the following meanings:

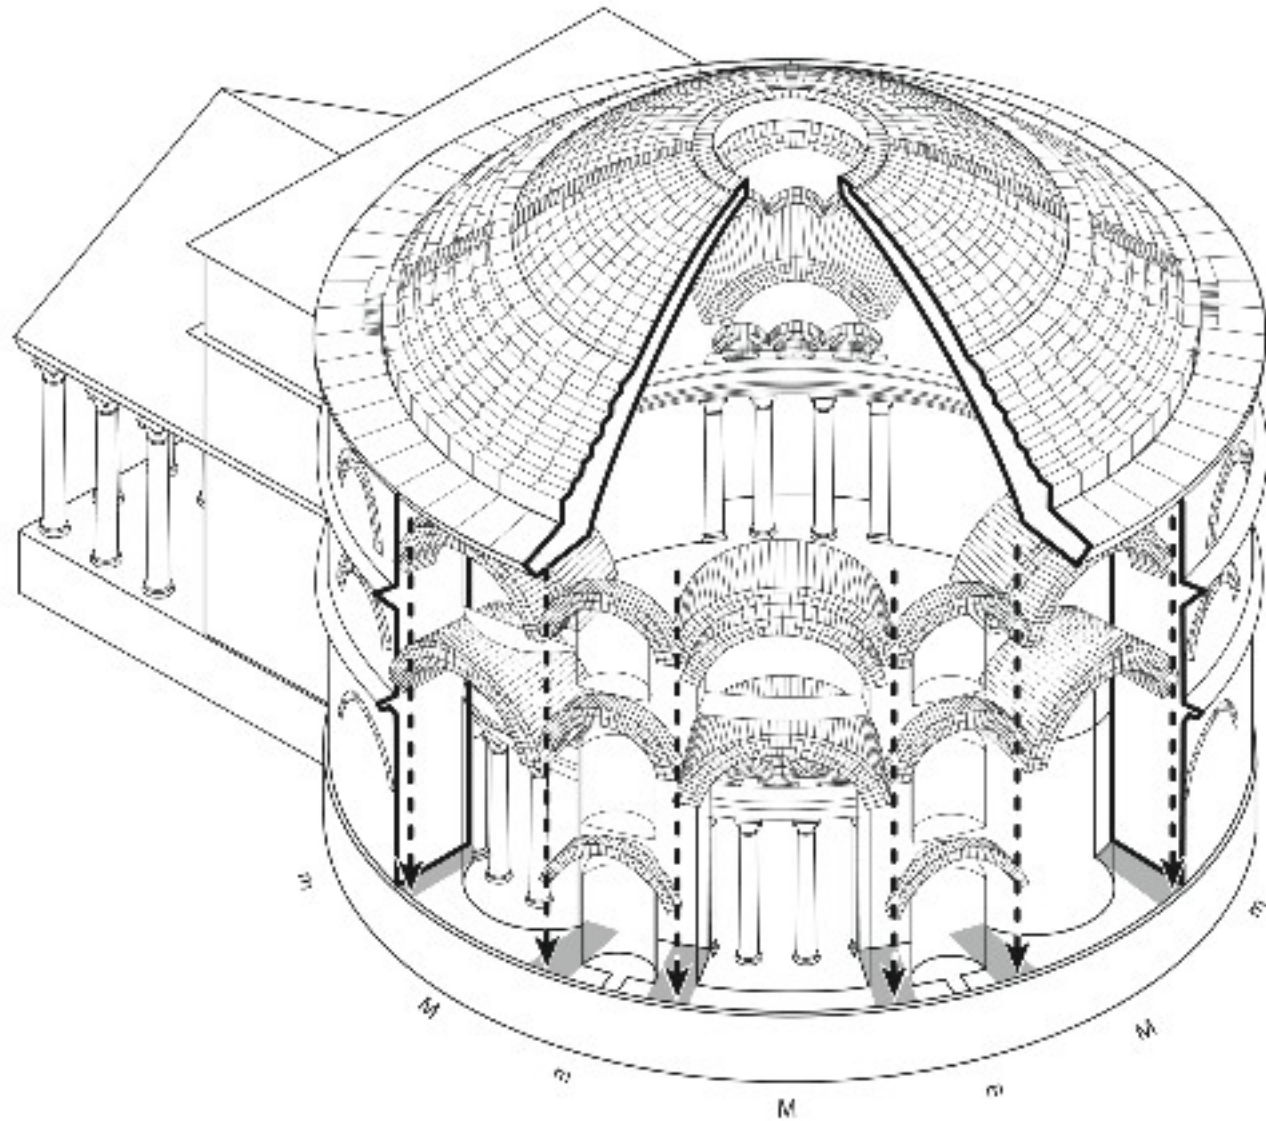

- i) the last day of the world's existence.
"Bede believed that the time of **DOOMSDAY** is concealed from mankind".
- ii) (in religious belief) the day of the Last Judgement.
- iii) a time or event of crisis or great danger.
"in all the concern over greenhouse warming, one **DOOMSDAY** scenario stands out".
- iv) a time of catastrophic destruction and death.

Alternative historical spellings include **DOMESDAY** and **DOMESDEI**.

Casting some light into the shadows, we may discover some 'hidden' meanings for these words.

OCCULT: hidden from view : **CONCEALED**

OCULUS: a round or eye-like opening or design, such as a circular window or an opening at the apex of a **DOVE**.

Chapter 1 – The Dating Game

Anno DOMini (AD) – the Year of the DOME

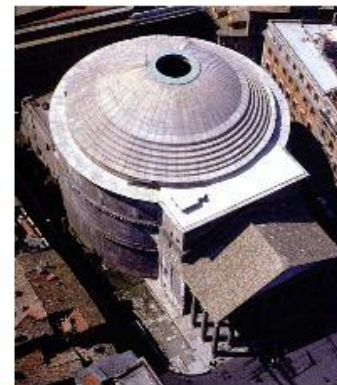

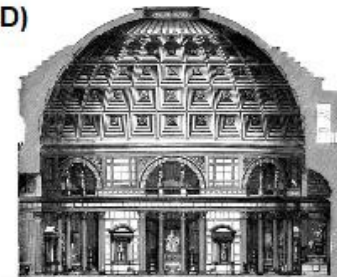

DOMEsday – the Day of the DOME...

The Original Pantheon of Rome was built during the reign of Augustus (27 BC – 14 AD)

Completed 1 AD...?

First Edition

BC - the English abbreviation for '**Before Christ**'.

AD – the Latin abbreviation for '**ANNO DOMini**' – the **YEAR** of the **DOME**?

St. Bede the Venerable (c.AD673 to AD735) was an English monk at the monastery of St Peter and its companion monastery of St Paul in the Kingdom of Northumbria of the Angles.

Bede's main approach to dating was the Anno Domini method invented by Dionysius Exiguus. Bede's adoption and promulgation of this method in *De Temporum Ratione*, his work on chronology, is the main reason it is now so widely used. Bede's Easter table, contained in *De Temporum Ratione*, was developed from Dionysius Exiguus' Easter table.

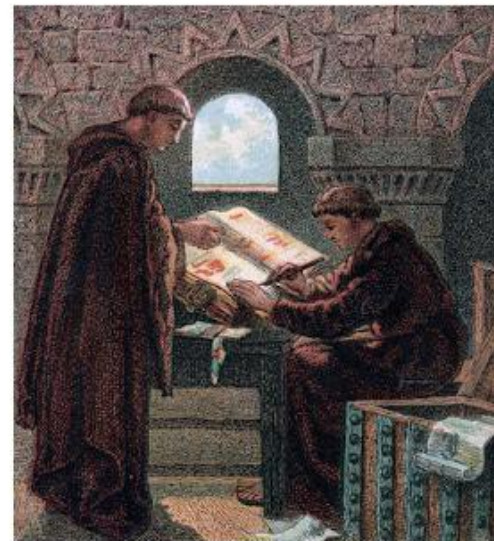

DOMesday – the Day of the DOME...

DOMesday Book 1086 AD

DOMesticating the Masses

The DOMESDAY BOOK – England Census AD1086

What were the origins of the name of the book by which it is now universally known?

The “**Domesday Book**” is clearly no official title; it is a popular appellation, of which the meaning is not quite free from doubt.

Officially, the record was known as the “Book of Winchester,” from the city in which it was kept. It was cited under that name when the Abbot of Abingdon, in the reign of Henry I., proved by it the exemption of certain of his estates from the hundred court of Pyrton, Oxfordshire.

The 'best' explanation of its other, more famous name may be given in the words of Richard Fitz Neal, writing under Henry II.:

“This book is called by the natives, ‘**DOMESDEI**’, that is by a metaphor the day of judgment, for as the sentence of that strict and terrible last scrutiny may by no craft be evaded, so when a dispute arises concerning those matters which are written in this book, it is consulted, and its sentence may not be impugned nor refused with safety.” [Dialogus de Saccario (ed. 1902), p. 108.]

DOMES DAY – the **DEI** of the **DOME**.
ANNO DOMini – the **YEAR** of the **DOME**.

deity - a god or goddess. e.g. the **deities** of ancient Greece.
DEITY (capitalized) – **GOD** or **SUPREME BEING**.

Chapter 2 – Easter Eggs

Eggs in general, are a traditional symbol of fertility and rebirth in Christianity.

For the celebration of Eastertide, we are told Easter Eggs symbolize the empty tomb of Jesus, from which Jesus was resurrected.

Other meanings for 'Easter Egg' include:

- i) an unexpected or undocumented feature in a piece of computer software or on a DVD, included as a joke or a bonus
- ii) a hidden item placed in a movie, television show, or otherwise visual media for close watchers

Google is especially fond of these fun little surprises; if you search for “askew” in Google, the results appear tilted, and if you ask it for the “number of horns on a unicorn” it will helpfully bring up the calculator and do the maths for you.

Children's nursery rhymes are no different in terms of containing 'Easter Egg' bonus information for vigilant citizens.

For example, Ring-a-Ring-a-Roses is all about the Great Plague.

(Ref: <https://www.bbc.com/culture/article/20150610-the-dark-side-of-nursery-rhymes>)

Heading back up to Northumberland (St. Bede's part of the world), a mysterious Mithraic stone relief of an '**EGG-MAN**' was discovered during an archaeological survey at **Hadrian's Wall** in 1822.

The '**EGG-MAN**' is perhaps the inspiration for the nursery rhyme, **Humpty Dumpty**, who is typically portrayed as an anthropomor**PH**ic egg.

The first recorded versions of the rhyme date from late eighteenth-century England and the tune from 1870 in James William Elliott's National Nursery Rhymes and Nursery Songs.

CARBON ZERO – the Modern Religion – Nuclear Power DOMESday Scenarios

The safety of Zaporizhzhia nuclear plant, Ukraine, hangs in the balance – Guardian Newspaper, 12th Dec 2022.

Shelling near the six-reactor facility plus a shortage of workers and uncertain backup power are making it what could be most dangerous place on Earth.

<https://www.theguardian.com/world/2022/dec/12/safety-of-zaporizhzhia-nuclear-plant-hangs-in-the-balance>

However, there are plenty of other nuclear power stations worldwide – the modern Pantheons of Rome?

Chapter 5 – The DOME of the ROCK

The Dome of the Rock is an Islamic shrine located on the Temple Mount in the Old City of Jerusalem.

Temple Mount has been venerated as a Holy site in Judaism, Christianity and Islam for thousands of years.

The First Temple was built by King Solomon in 957 BC.

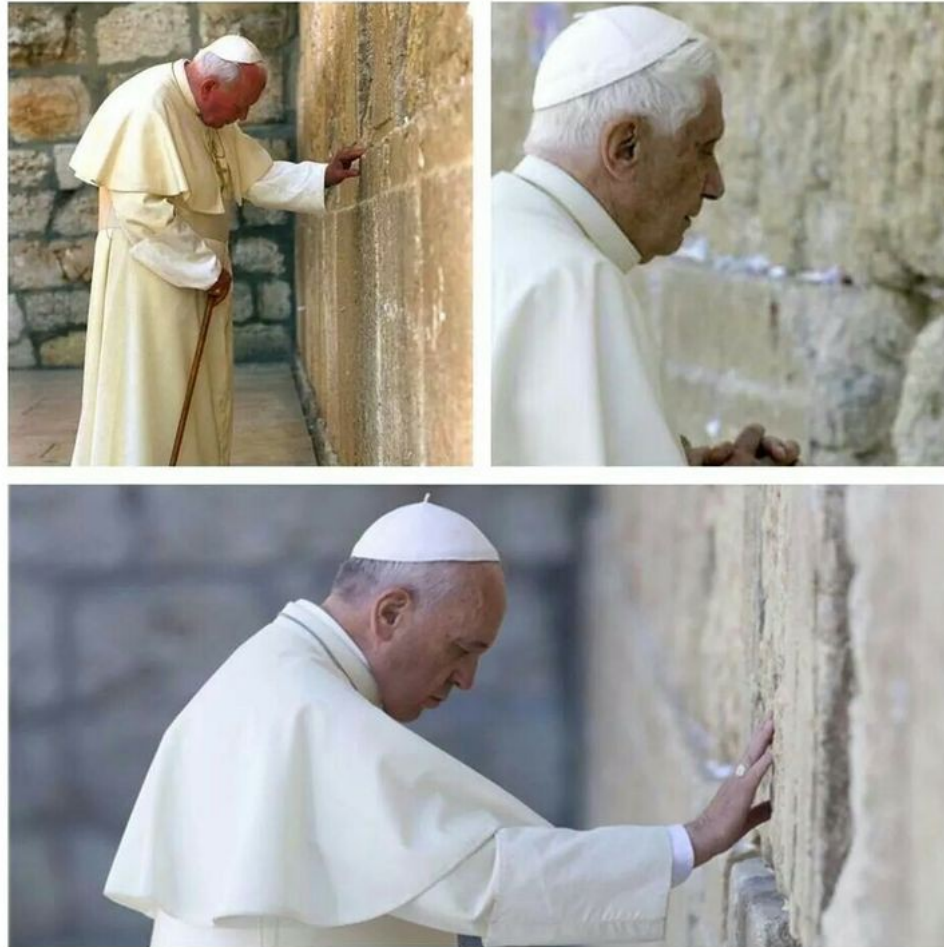

The Western or Wailing Wall and the Dome of the Rock – Old City of Jerusalem

The Western or Wailing Wall, is a portion of ancient limestone wall in the Old City of Jerusalem that forms part of the larger retaining wall of the hill known to Jews and Christians as the Temple Mount.

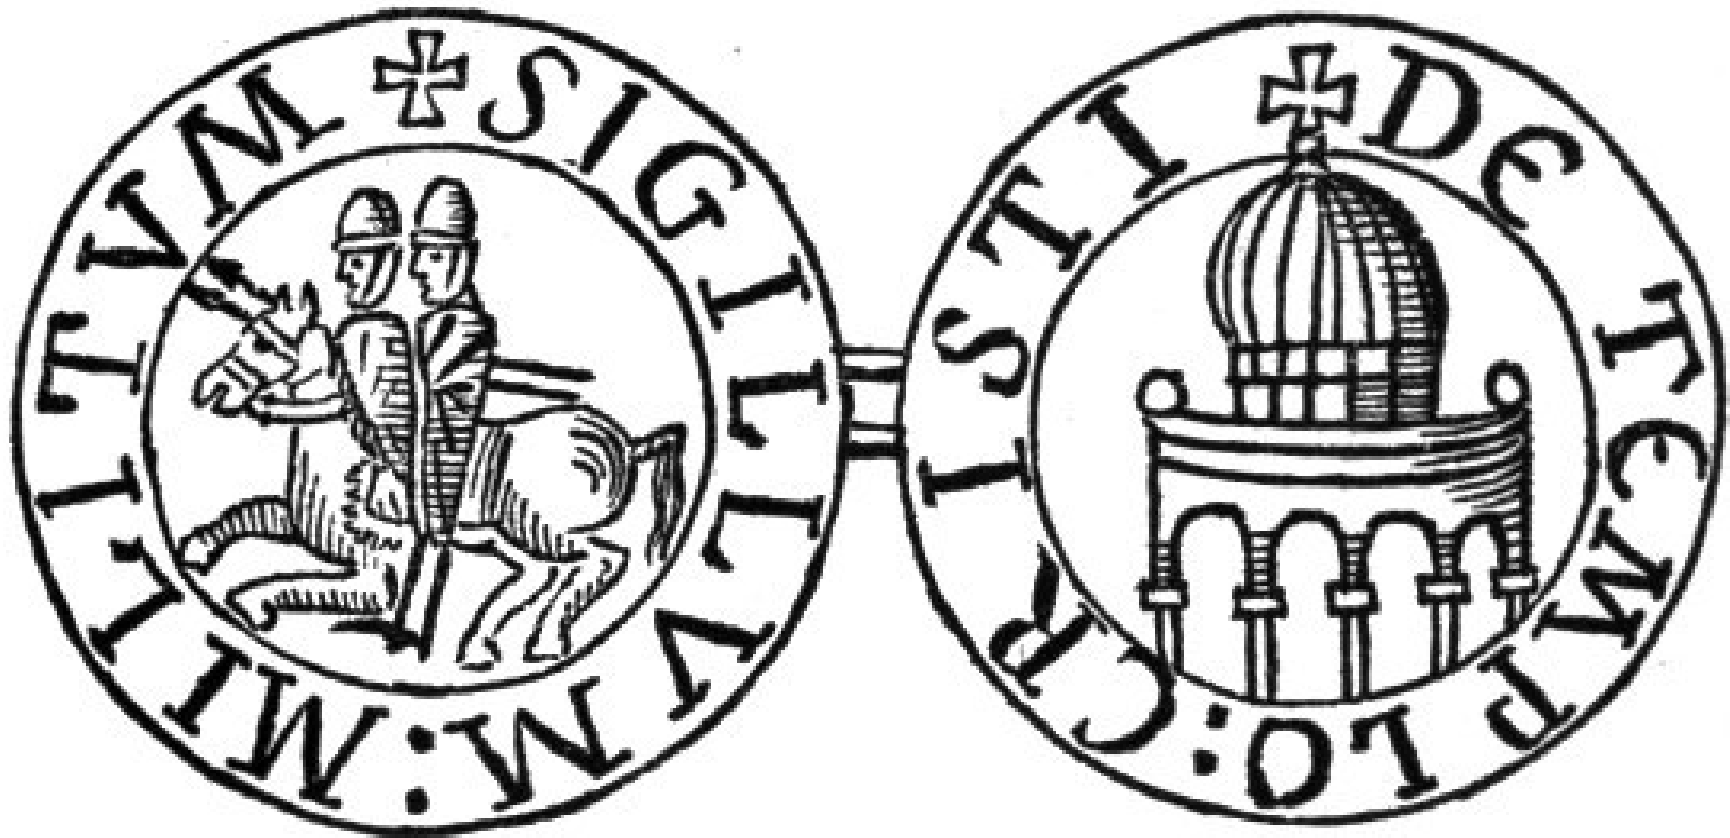

The Wailing Wall plays an important role in Judaism due to its proximity to the Temple Mount.

Because of the Temple Mount entry restrictions, the Wall is the holiest place where Jews are permitted to pray outside the previous Temple Mount platform, as the site of the Holy of Holies, the most sacred site in the Jewish faith, lies just behind it.
